

# SUMMER SAC DISCIPLINE POLICY

TLC Early Childhood Center Summer Camp will follow positive discipline methods, which encourage self-direction and good self-esteem in a firm, consistent manner. We treat children respectfully, always being mindful that we are all children of the heavenly Father who loves us. We value good communication between caregiver, child and parent. We will use the following methods:

1. Redirect a child to an appropriate activity.
2. Give opportunity for the child to problem solve under our direction and give suggestions for solutions when necessary.
3. Give appropriate logical consequences for misbehavior: for instance loss of privileges for misbehavior.
4. Help child express their feelings in an appropriate way.
5. Give child choices when appropriate.
6. Remove the child from conflict for appropriate time out period. After child is calm, talk over the situation and give logical consequences when necessary.
7. Ask for payment for replacement or repair of equipment damaged on purpose.
8. If a serious problem develops, parents are notified and asked to assist us in formulation a plan of action to help child that coordinates caregiver and parent cooperation. If behavior does not improve, TLC reserves the right to ask the parent to withdraw the child, either temporarily or permanently.

Please note that responsible behavior is expected on all field trips. *If children exhibit irresponsible or troublesome behavior on a field trip, they will not be allowed to attend the next field trip they are scheduled to attend.* We will care for the child in the center for the duration of the missed trip.

## Additional information

Please provide the following for your child:

1. Athletic type shoes – *open toed shoes or sandals are not allowed.*
2. Bathing suit and towel for water activities marked clearly with name
3. Sunscreen marked clearly with name if desired
4. Any special directions concerning allergies in writing

I have read and understand the Discipline Policy to TLC Early Childhood Center.
