TLC Early Childhood Center
38900 Harper Clinton Twp.
MI 48036
586-463-8803

Room Description

Terrific Twos

- Ages in this room range from 24 months through age 3.
- Staff to child ratio is 1:4.
- Maximum class size is 12.
- A regular schedule is followed. It includes: devotions or Jesus Time, group time, art activities, story time, music and movement activity, and plenty of time for meaningful play. The regular schedule gives your child a stable, predictable environment where they feel safe and comfortable, an important aspect for a learning environment.
- We plan activities using Early Childhood Standards of Quality from the Michigan Department of Education. We use Creative Curriculum and Zoophonics. Bible-based activities are incorporated throughout the day using standards from the Lutheran Church - Missouri Synod.
- "Jesus Time" is provided daily. Children learn basic Bible accounts, songs and finger-plays and most important learn that Jesus loves them!
- A special focus is made to expand small motor activities. Crayons, markers, and glue are used. The use of scissors, water colors, tempera paints, and play dough, and manipulative toys are introduced.
- The room is designed to take the shape of a beginning preschool classroom with specific learning areas. A block area, dramatic play or house area, sand and water table, small motor and art area, and reading areas are evident in the room.
- Children are assisted to accomplish toilet training. The bathroom is readily accessible and child friendly. A changing table is also still provided for children not yet ready to begin toilet training.
- At the end of the school year, children who are 3 years old and have mastered toilet training are ready to join a Preschool Classroom.
- The program runs from September through May with breaks given for holidays, much like a regular school schedule.
- Tuition information available upon request.
